

Yi Chen

Born in Chengdu, China

Lives and works between Switzerland and China

Education

1997-2002 BA in Fine Art at Geneva University of Art and Design (HEAD) Switzerland

After graduation from Geneva University of Art and Design (HEAD), her artistic creation was put aside for a period of time for the reason of jobs. Since 2014, she returned to the world of artistic creation. She decided to devote the rest of her life to express the current state of the world through forms of art.
